7. COVID Safety Procedures

- With the evolving situation, further safety procedures may be implemented in line with the current QLD Government rulings at the time of the event. These changes will be communicated with attendees prior to and during the event.
- The venue has a COVID Safe Plan and will be professionally cleaned and sanitised prior to State Titles.
- If you are unwell, including but not limited to having the sniffles, sore throat or cough, you should not attend.
- Each person, players and non-players, will need to complete an attendance record with their entry and exit times as required by QLD COVID guidelines.
- Upon entry to the venue, everyone **MUST** use the hand sanitiser provided. You are encouraged to sanitise regularly.
- Social distancing of 1.5m is to be adhered to as much as is practical.
- Spectators are not actively encouraged to attend this event, as suggested by QLD COVID guidelines. This is to ensure that patronage is less than the maximum allowable for this size venue, allowing 4m² minimum per person.
- Each club will be allocated an area where their teams will be expected to return to when not playing on court.

- The Mens and Ladies competitions will be played separately from the Mixed competitions. There will be a scheduled interval to minimise the crossover between Mens and Ladies attendees and the Mixed attendees.
- Playing balls will be sanitised regularly and RVQ will not be lending any out for warm-ups.
- Please refrain from touching/hi-fiving/backslapping other players in celebration, during the half time changeover or at the conclusion of the game.
- Captains will not need to sign the umpire score sheet but will need to sight the final score. They will then let the umpire know they are happy with the final score and will sign on the captains behalf.
- If purchasing food or beverages at the venue, they are to be consumed at your club's designated area.
- Anyone deliberately/repeatedly ignoring guidelines may be asked to leave the venue.
